

Good morning,

I am Dr Indra Singh, PhD in Bioinformatics from Banaras Hindu University, Varanasi, India. I have worked in genomics as well as in proteomics. I have more than 5 years of experience in NGS data analysis, ITRAQ data analysis, noncoding RNAs, Metagenomics, structural bioinformatics, SSRs, SNPs, GWAS data analysis. I am also fluent in working with Python and R programming languages. I have experience with Machine learning.

I am forwarding my CV for your kind consideration.

Kind regards

Indra
